Dear Sir/Madam,

www.towerhamlets.gov.uk

Re: Delegation of Function

We have entered into an agreement with Euro Parking Collections (EPC) for the tracing of owners and the collection of unpaid fines issued by ourselves to persons that are registered with a European Licensing Authority (other than our own national Licensing Authority). EPC have been granted permission to use third party debt collectors throughout Europe for the purpose of pre legal collection. This agreement is valid until further notice.

Signed
